for more information

*On the days I use lessons from Project WET,  
my classroom becomes alive with curiosity and discovery.  
These are the days I experience the most joy as a teacher.  
Cathy Alger, 7th Grade Science,  
Bradshaw Mountain Middle School, Dewey, AZ*

This workshop is sponsored by:  
Arizona Project WET,  
White Mountain Wildlife and Nature Center  
University of Arizona Cooperative Extension, Navajo County
